

# MIDDLEHAM TOWN COUNCIL

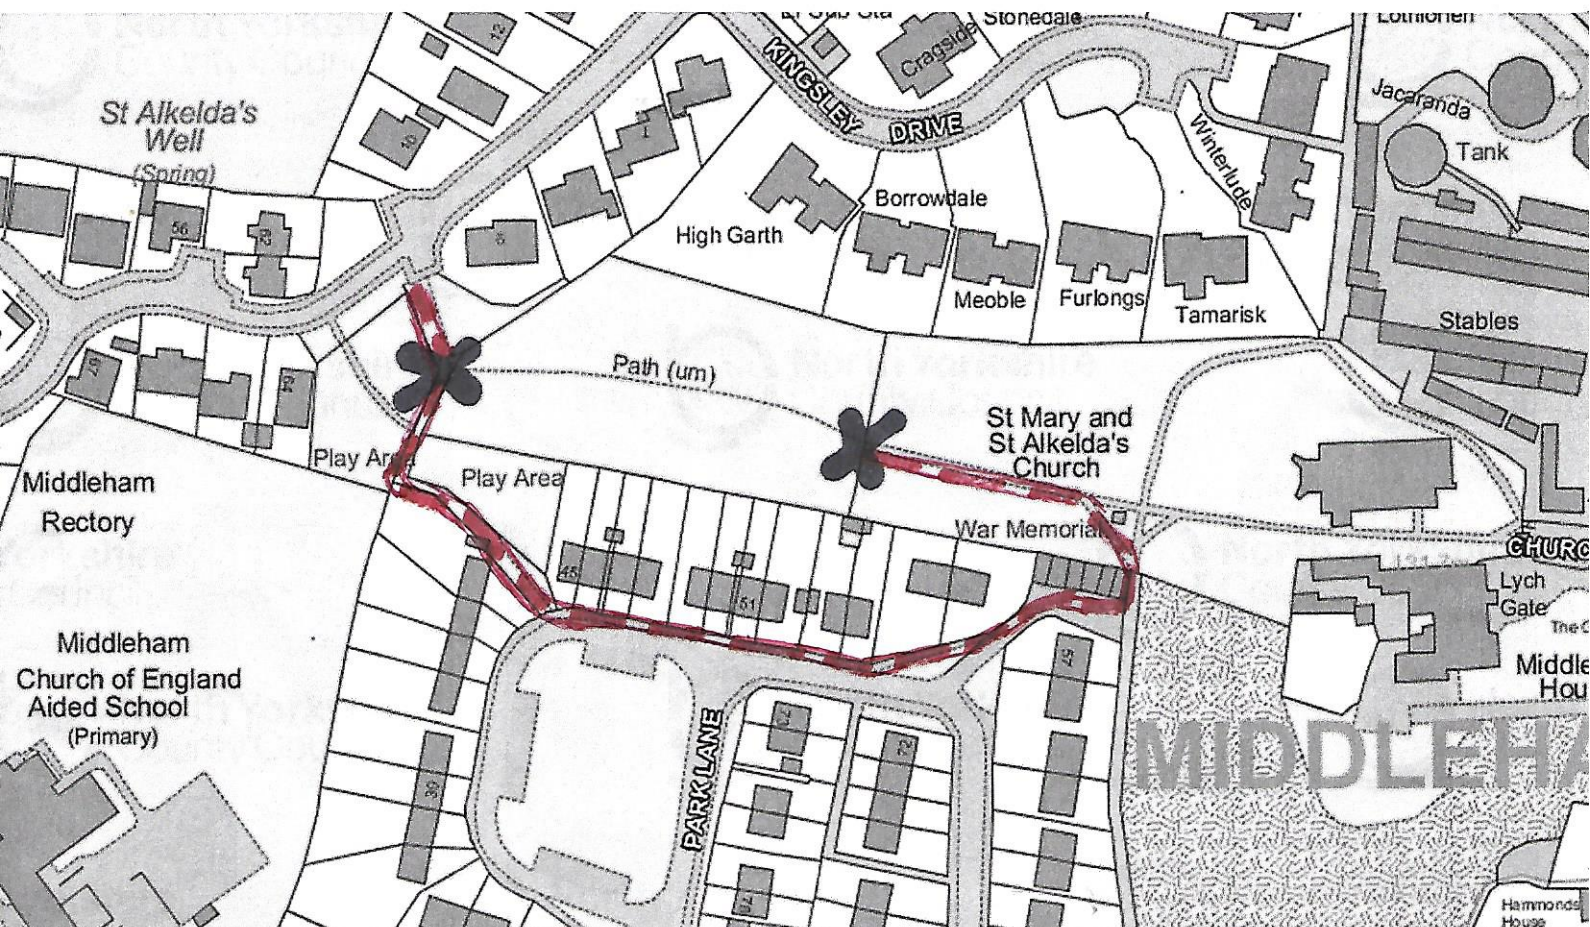

## TEMPORARY FOOTPATH CLOSURE

The Town Council is undertaking several small excavations in the open space between Park Lane and St Alkelda's Road, which is the proposed location for the new civic burial ground, adjacent to the existing church burial ground. These excavations are necessary for the surveys that the Environment Agency has asked us to undertake to ensure that there is no impact upon the environment and water quality.

The work will be undertaken on Monday 14 January 2019 and will be completed by the end of the day. It will be necessary to temporarily close the entrance from the church yard on Monday whilst these work are carried out.

Our contractor, R A Wheeler Ltd, will be erect temporary fencing around the excavations. The map below shows the closed access points and an alternative pedestrian route. Council apologises for the inconvenience that this may cause.

David Keep, Town Clerk, Middleham Town Council  
Middleham Key Centre, Park Lane, Middleham, DL8 4RA
